Don't Feel Well

Chicken Pox Song

Sung to: Jingle Bells

Words by Joe Stover

Chorus:

Chicken pox, chicken pox, got chicken pox today.

I scratch and scratch and scratch and scratch,

Oh make them go away-ay!

Chicken pox, chicken pox, got chicken pox today,

If they don't stop itching me I'll never get to play.

Last week I went to school, I was feeling mighty fine.

I climbed the jungle gym, and went down the great big slide.

Later in our room, we sat and ate a snack.

Jimmy shared his candy bar

And I got a chicken pox attack!

Chorus

Cough or Sneeze

Sung to: Mary Had a Little Lamb

Author Unknown

When you have to cough or sneeze,

cough or sneeze, cough or sneeze,

When you have to cough or sneeze,

over your mouth please!

Chicken Soup

Sung to: Eensy Weensy Spider

Author Unknown

When my forehead's feeling hot, do I want pizza?

I do not!

When I cough or sneeze give me a bowl of hot soup please.

Eating chicken soup with rice makes me feel so very nice.

So when you're feeling under the weather,
chicken soup might make you feel better

Pass the Tissues

Sung to: Old MacDonald

Words by Joe Stover

I have myself a rotten cold

AA-AA-ACHOO!

I have myself a rotten cold

AA-AA-ACHOO

I need a tissue here, a tissue there

Here a tissue, there a tissue, everywhere a tissue

I have myself a rotten cold

AA-AA-ACHOO!

When I'm at school I catch my sneeze

AA-AA-AACHOO!

When I'm at school I catch my sneeze

AA-AA-AACHOO!

Catch my sneeze here, catch my sneeze there

Here a catch, there a catch, everywhere I catch catch

A tissue here, a tissue there

Here a tissue, there a tissue, everywhere a tissue

I have myself a rotten cold

AA-AA-ACHOO!

To get rid of the germs I wash my hands

Washy, washy, wash

So no one else will feel like this

Washy, washy, wash

With a wash wash here, wash wash there,

Here a wash, there a wash, everywhere a wash wash

Catch my sneeze here, catch my sneeze there

Here a catch, there a catch, everywhere I catch catch
A tissue here, a tissue there
Here a tissue, there a tissue, everywhere a tissue
I have myself a rotten cold
AA-AA-ACHOO!
When I go home, I take a rest
Snore snore snore snore snore
I find a warm place that I like the best
Snore snore snore snore snore
with a snore snore here, snore snore there
Here a snore, there a snore, everywhere a snore snore
Wash wash here, wash wash there,
Here a wash, there a wash, everywhere a wash wash
Catch my sneeze here, catch my sneeze there
Here a catch, there a catch, everywhere I catch catch
A tissue here, a tissue there
here a tissue, there a tissue, everywhere a tissue
I have myself a rotten cold
AA-AA-ACHOO!

The backhoe scoops the dirt,
the backhoe scoops the dirt.

Hey-ho! Look at it go!

The backhoe scoops the dirt.

Additional verses:

The dozer moves the dirt...

The loader dumps the dirt...

The dump truck bumps away...

The cement mixer spins...

The crane moves up and down...

Construction Worker Song

Sung to: The Mulberry Bush

Words by Debby

This is the way we pound our nails,
pound our nails, pound our nails,
This is the way we pound our nails,
so early in the morning.

This is the way we saw our wood,
saw our wood, saw our wood,

This is the way we saw our wood,
so early in the morning.

This is the way we drill a hole,
drill a hole, drill a hole,

This is the way we drill a hole,
so early in the morning.

This is the way we stack the bricks,
stack the bricks, stack the bricks,

This is the way we stack the bricks,
so early in the morning.

This is the way we paint the walls,
paint the walls, paint the walls,
This is the way we paint the walls,
so early in the morning.

Who Built a House?

Sung to: Mary Had a Little Lamb

Author Unknown

Who built a house that was made of straw
Made of straw, made of straw?
Who built a house that was made of straw?
The first little pig, that's who.
Who built a house that was made of sticks
Made of sticks, made of sticks?
Who built a house that was made of sticks?
The second little pig, that's who.
Who built a house that was made of bricks, made of bricks, made of bricks?
Who built a house that was made of bricks?
The third little pig, that's who.

Great Machines

Sung to: Farmer in the Dell

Author Unknown

There are some great machines,
Some most impressive rigs,
They're loud and slow and mighty strong,
But most of all, they're BIG!
Backhoes dig the ground,
Front end loaders, "Fill 'er up!"
Dump trucks dump it out,
Bulldozers push the dirt.
Graders set the grade,
Steamrollers press,
Cement mixers churn around,
The road...now it's fixed!

Father's Whiskers

That are always in the way
Chorus:

The cows eat them for hay
They hide the dirt on father's shirt
They're always in the way
When father comes to breakfast
He finds himself a seat
He puts his whiskers in a bowl
And calls them Shredded Wheat

Chorus

Father has a daughter
Her name is Ellie May
She climbs up father's whiskers
And braids them all the way

Chorus

Around the supper table
We make a merry group
Until dear father's whiskers
Get tangled in the soup

She likes the whiskers too
She uses them for dusting
And cleaning out the flue

Hold Hands With Your Friends

Sung to: My Bonnie Lies Over the Ocean

Words by Joe Stover

Hold hands with your friends in a circle
And all walk around to the left
Now drop hands and spin on your tiptoes
And do so without getting wet.
Hold hands with your friends in a circle
And all walk around to the right
Now drop hands and jump like a rabbit
All day and then most of the night.
Hold hands with your friends and step forward
Then reach up and scratch both your ears
Now reach down and pat on your tummy
Don't you feel like you've done this for years?
Hold hands with your friends and step backward
Believe it or not we are done
Just stand and wave to your neighbors
And say that you've had lots of fun.

Our Families

Sung to: America the Beautiful

Words by Joe Stover

Families, both big and small,
Come spread your arms out wide,
Stand up upon your tippy toes,
And lightly spin around.
We love our dear old families,
They make us very proud,
So touch your toes and wiggle your nose,
And clap your hands out loud.
Families, are all around,
Let's jump with them for joy,

Then march and place, make a funny face,
And smile at this whole crowd.
We love our dear old families,
They make us very proud,
But it's time for bed, so scratch your head,
And snore so very loud!

Poof Song

Sung to: Clementine

Words by Joe Stover

Poof went mama, poof went papa
and poof went my sister Jane.
They wouldn't let me watch the TV
so I sent them all away.
Abracadabra, presto chango
with my magic words they disappeared.
I got some pizza and some soda
now I'm grinning ear to ear.
Watching TV cause I want to
got the sofa to myself.
But the house is empty and I'm lonely
pulled my magic book off the shelf.
I miss them, want to seem them
so I make them all come back right here.
Now I'm happy but I'm sad too
cause I'm grounded till next year.

Stinky Stinky Diaper Change

Sung to: Twinkle, Twinkle

Copyright Alan Katz

Stinky stinky diaper change
Boy, my brother smells so strange
He made something in his pants
Sure hope it won't attract ants
Stinky stinky diaper change
Boy, my brother smells so strange
It's okay, don't hold you nose
Now he's clean and in fresh clothes
All his stuff is often stained
Can't wait till he's potty trained
He's so cute in his playpen
What's that smell? Oh... not again!

All the live long day.

Mommy can't I go?
Mommy can't I go?
Mommy can't I go outsi-i-ide?
Mommy can't I go?
Mommy can't I go?
Mommy can't I go outside?
I promise I'll be good tomorrow
I'll clean my room real well-ell-ell-ell
I'll pick up all the toys off the floor
And wash my clothes that smell.
Oh mommy, please, can't, I go out?
Please can't I go out out out out?
Please can't I go out?
I'll wash my clothes that smell.

I'm a Lazy Teapot

Sung to: I'm a Little Teapot

Words by Joe Stover

I'm a lazy teapot so forlorn
My handle broke when I was born
My spout is all crooked as you can see
When you tip me over nothing comes out of me
If you take and fix my handle true
Straighten out my spout just good as new
Then I won't be lazy and with joy I'll shout
Just tip me over and pour me out

Let's Eat

Dessert Surprise

Verses sung to Eensy Weensy Spider, Choruses sung to Beverly Hillbillies
Author Unknown

Oh, once when we were dining, I didn't want to eat
There was this stuff upon my plate that looked like chicken feet
But then my mom, she served dessert, it was all pink and red
I asked her what she'd put in it, and this is what she said

Chorus:

Oh, chicken lips and lizard hips and alligator eyes
Monkey legs and buzzard eggs and salamander thighs
Rabbit ears and camel rears and tasty toenail pies
You stir them all together, and it's called Dessert Surprise
I went up to the washroom and stood beside a sink
I said I'm feeling slightly ill, I think I'd like a drink
My mom, she said, I've just the thing, I'll get it in a wink
It's full of lots of protein, and vitamins, I think
'Cause it's got...

Chorus

The Family of the Sun

Sung to: Farmer in the Dell

Author Unknown

The family of the sun, the family of the sun,
here are nine planets in, the family of the sun.
Mercury is hot, Mercury is small,
Mercury has no atmosphere, it's just a rocky ball.
Venus has thick clouds, that hide what is below,
the air is foul, the ground is hot, it rotates very slow.
We love the Earth our home, its oceans and its trees, we eat its food,
we breathe its air, so no pollution please.
Mars is very red, it's also dry and cold,
some day you might visit Mars, if you are really bold.
Great Jupiter is big, we've studied it a lot,
we found it has lots of moons, and a big red spot.
Saturn has great rings, we wondered what they were,
now we know they're icy rocks, which we saw as a blur.
Uranus is so far, it's cold and greenish blue,
we found it rotates sideways, and it has lots of moons.
Neptune has a spot, a stormy patch of blue,
the planet has a lot of clouds, and rings around it, too.
Pluto's last in line, it's farthest from the sun,
it's small and cold and icy too, to land there won't be fun.

Dragon Song

Sung to: My Bonnie

Words by Joe Stover

A dragon flew over our house

He landed right next to a tree

We asked him to stay for some dinner

And he ended up eating me.

Chorus:

He ate, he ate, he ate me all up, all up.

He ate, he ate, he ate me all up.

It's very dark inside a dragon

I didn't like it at all

I started to tickle his tummy

He laughed from summer to fall.

Chorus

The dragon got tired from laughing
His mouth opened and I ran out
"Don't eat anymore little children," I said.
He said, "Sorry," and started to pout.

Wild Thing Pokey

Sung to: Hokey Pokey

Words by Moira Zelechowski and Joe Stover

You put your claws in,
You take your claws out,
You put your claws in,
And you scratch them all about,
You do the Wild Thing Pokey
And you stomp all around,
That's what it's all about.

You put your fangs in,
You take your fangs out,
You put your fangs in,
And you chomp them all about,
You do the Wild Thing Pokey
And you stomp all around,
That's what it's all about.

You put your horns in,
You take your horns out,
You put your horns in,
And you shake them all about,
You do the Wild Thing Pokey
And you stomp all around,
That's what it's all about.

You put your hairy behind in,
You take your hairy behind out,
You put your hairy behind in,
And you shake it all about,
You do the Wild Thing Pokey
And you stomp all around,
That's what it's all about.

You put your whole Wild Thing in,
You take your whole Wild Thing out,
You put your whole Wild Thing in,
And you shake it all about,
You do the Wild Thing Pokey
And you stomp all around,
That's what it's all about.

Yessiree

Sung to: I'm a Little Teapot

Please watch where you walk because I am small
Or else you'll squash me out in the hall

Winter

I'm Going Outside

Sung to: Twinkle, Twinkle
Additional Words by Joe Stover

I'm going outside, yessiree!
And play some game; won't you come with me?
We'll build a fort out of a box,
Hunt a lion and a fox
I'm going outside, yessiree!
And play some games; won't you come with me?
Next we'll turn the sprinkler on,
And get all wet out on the lawn.
Squirt each other with the hose,
Make some mud just for our toes.
I'm going outside, yessiree!
And play some games; won't you come with me?
When the sun starts to go down
We'll catch fireflies all around!
Then let them go into the night,
Flying with their flickering light.
I'm going outside, yessiree!
And play some games; won't you come with me?

Sports & Exercise

A Baseball

Sung to: Tisket, a Tasket
Joe Stover

A baseball, a baseball, a brand new shiny baseball,
I hit it with my wooden bat
And saw it hit the left wall.

A double, a double, I'm going for a double,
The fielder dropped it from his glove
I should make it without trouble.

A triple, a triple, my coach yells for a triple,
I'm running hard with all my might
I could end up in a pickle.

A home run, a home run, I scored a winning home run,
The fans are cheering from the stands
The baseball song is now done.

Watch as it goes far.

That you made it safe.
Steal, steal, steal to second,
When the pitcher looks away.
Slide across the dusty ground,
Now you've made your play.
Round, round, rounding third,
Heading on toward home.
You score a run for your team,
In the Astrodome.

Down from heaven!
Drip, drop, drip
I am dry as I can be
My up and down umbrella
Is up over me!

Don't Stick Your Finger Up Your Nose

Sung to: Traditional Tune
Barry Louis Polisar

Chorus:

A
Don't stick your finger up your nose.
D
'Cause your nose knows it's not the place it goes.

E
You can sniffle, you can sneeze,
But I'm asking you please,

A
Don't stick your finger up your nose
Don't stick your finger in your ear,
'Cause then your ear will find it hard to hear.
You can pull it, you can tug it, But please don't plug it,
Don't stick your finger in your ear

Chorus

Don't stick your finger in your eye
That's not a thing I think you oughta try
You can blink it, you can wink it
But I don't think it

Would be good to stick your finger in your eye

Chorus

Don't stick your finger down your throat

Cause that will just make you start to choke

Then up will come your dinner

And you'll start to look much thinner

Don't stick you finger down your throat

Chorus

E A

At least not in front of me.

Give Me a Break

Sung to: Home on the Range

Alan Katz

Oh give me a break
'Cause I made a mistake
And my library book's overdue.
The fault is all mine
Oh boy, what a fine

Home home where it's hid.
This is such a bad thing that I did.
And you might say, "Gee whiz!"
'Cause the book's title is
How to Be a Responsible Kid!

Looked Just Like You

Sung to: Eensy, Weensy Spider

Eric Schwartz - Additional Words by Joe Stover

This morning I made pancakes
and one looked just like you.
With raisins for the nostrils
and smile of maple goo.
With orange section eyebrows
and sliced banana eyes.
I flipped you out the window
by mistake into the sky.
Six stories down you glided
like a saucer through the air.
You landed on a policeman
and caught all in his hair.
He made a great big grin
and said, "I like it too."
Then got a knife and fork and
made short work of you.

Roller Coaster Song

Sung to: Oscar Meyer Weiner Song
Author Unknown - Additional Verses by Joe Stover

Chorus:

Oh I wish that I could ride a roller coaster
And go up, down, around those great big hills
But every time I see a roller coaster
It gives me nothing but a great big chill
My brother says he'll take me if I want to
I'd really like to go a whole bunch
But if I do and start to get seasick
I might just wind up losing all my lunch

Chorus

My sister says I'm just a big chicken
And I should go and face up to my fear
But if I do start to get scared
I'll scream and scream and scream right in her ear

Chorus

My Dad says I should wait until I'm older
And don't worry what the other kids say
There are other things just as exciting
He's right. I'll do the pony rides today

Chorus

I have two eyes to see with
I have two feet to run with
I have two hands to wave with
And nose I have but one
I have two ears to hear with
And a tongue to say hello with
And two red cheeks for you to kiss
And now I'll run away

See a Hat

Sung to: Yankee Doodle
Joe Stover

See a hat, pick it up, put it on your noggin,
Slip on a coat and then some gloves
And grab your big toboggin.
Climb the hill up all the way,
Get yourself on top,
Slide on down through all that snow,
And never ever stop!

Skiparoni

Sung to: Yankee Doodle
Author Unknown

Yankee Doodle went to town
Riding on a pony
He stuck a feather in his hat
And called it Skiparoni
Yankee Doodle skipped to town
Skipped to town so dandy
Mind the music and the step
And with the kids be handy
Repeat with slideroni, walkaroni, hoparoni

Boots for rain, boots for snow
Slip them on, and off we go!

Somewhere There's a Forest

Sung to: Eensy Weensy Spider

Author Unknown

Somewhere there's a forest
Where you can stand and dream
And walk alone beside the waters
Of a forest stream
Where quietness and peace of mind
Are waiting there for you to find
So leave the noisy world behind
For just a little time

Tails

Sung to: Do Your Ears Hang Low

Author Unknown

An illustration of a woman with brown hair and a blue shirt sitting at a table with two children. The girl on the left has blonde hair and is wearing a pink dress. The boy on the right has brown hair and is wearing a green shirt. They are playing with various toys on the table, including a red toy car, a yellow ball, and a blue ball. The woman is holding a yellow ball. The background is a simple brown table.

If everybody had a tail and chose it's shape and size
Would you prefer a tufted one to swat at passing flies?
Or would you have a stumpy one to thump on wooden floors,
Or p'raps a warm and fluffy one to curl around your paws?
Chorus:
Tails, tails, tails you can swing them to and fro
You can wrap them round your middle
You can trail them in the snow
You can wave them when you're angry
You can wag them when you're glad
You can chase them round and round and round and drive the neighbors mad!
And would you wear it stripy, speckled, plain or maybe spotted?
And would you wear it curly, straight, or elegantly knotted?
And if it was prehensile, what enormous fun to be
The envy of the neighbors as you swing from tree to tree!
Chorus
If tails were made detachable, how useful it would be
To change your tail for parties, or for playing by the sea
Or if you're going out at night, with safety first in mind
To wear a red fluorescent one to light up your behind!

The Finger Band

Sung to: Mulberry Bush

Author Unknown

The finger band has come to town, come to town, come to town,
The finger band has come to town so early in the morning. (wiggle your fingers)
This is the way we snap our fingers, snap our fingers, snap our fingers,
This is the way we snap our fingers so early in the morning.
This is the way we clap our hands, clap our hands, clap our hands,
This is the way we clap our hands so early in the morning.
This is the way we pat our knees, pat our knees, pat our knees,
This is the way we pat our knees so early in the morning.
The finger band has gone away, gone away, gone away,
The finger band has gone away so early in the morning. (wiggle your fingers)

This is the Way When We're Lost

Sung to: This is the Way We Wash Our Clothes

Joe Stover

This is the way we wave our arms, wave our arms, wave our arms
This is the way we wave our arms, cause we are lost!
This is the way we jump up and down, jump up and down, jump up and down
This is the way we jump up and down, cause we are lost!
This is the way we yell for help (HELP!), yell for help (HELP!), yell for help (HELP!)
This is the way we yell for help (HELP!), cause we are lost!
This is the way we stamp our feet, stamp our feet, stamp our feet
This is the way we stamp our feet, cause we are lost!
This is the way we clap our hands, clap our hands, clap our hands
This is the way we clap our hands, cause we've been found!

Those Daring Young Kids With The Scabs On Their Knees

Sung to: The Daring Young Man on the Flying Trapeze

Joe Stover

Chorus:
They fly through the air with the greatest of ease
Those daring young kids with the scabs on their knees
They bang up their shinbones, tear holes in their jeans
Those daring young kids with the scabs on their knees
Young Sally decided she wanted to fly
And went out with her poodle dog Ace
Climbing up on his doghouse and flapping her arms
She launched herself straight into space

Chorus
John's mother hid all of the cookies away
But on top of the fridge they were found
He ate one or two then decided to leave
But slipped and sailed straight to the ground

Chorus
All you children I want you to listen to me
Whenever you greet a new day

Be careful at what... ever you do
Or you'll turn all the grownups hair gray
Chorus

Way Out West

Sung to: Old MacDonald
Author Unknown

Way out West are buffaloes. Yippie-yippie-oh!
Way out West are buffaloes. Yippie-yippie-oh!
With a stomp, stomp here and a stomp, stomp there.
Here a stomp, there a stomp, everywhere a stomp, stomp.
Way out West are buffaloes. Yippie-yippie-oh!
Way out West are prairie dogs. Yippie-yippie-oh!
Way out West are prairie dogs. Yippie-yippie-oh!
With a scamper scamper here,
and a scamper scamper there,
here a scamper, there a scamper, everywhere a scamper.
Way out West are prairie dogs. Yippie-yippie-oh!
